

THE NON-PROFIT REAL ESTATE FOUNDATION: SAVE MONEY AND TAKE CONTROL

Unlocking real estate value and protecting one's balance sheet are objectives hospitals and health systems have pursued for decades. The Non-Profit Real Estate Foundation ("NPF") model provides a solution to unlock real estate value, significantly lower occupancy costs, provide many of the benefits of ownership, create alignment with a nonprofit owner and enhance facility flexibility.

Learn more about how the NPF model works and how it could potentially benefit your organization in our full article here: <https://bit.ly/3kX6DSs>.
