WEBINAR | TRENDS IN PHYSICIAN GROUP & AMBULATORY CENTER MERGERS AND ACQUISITIONS

Event: Trends in Physician Group & Ambulatory Center Mergers and Acquisitions

06/14/2022 - 1:00 PM ET

Synopsis:

Presented by Hall Render and Hall Render Advisory Services' transactions attorneys and advisors, this webinar will discuss trends in ambulatory and physician group practice acquisitions and address all stages of the M&A transaction process. Key M&A considerations, including strategic, financial, legal and compliance review, as well as an overview of due diligence and the expectations and activities involved with the due diligence process, will also be discussed.

Attendees will leave with a deeper understanding of trends in ambulatory acquisitions, the importance of buyer- and seller-side due diligence and the post-transition support necessary to ensure a successful integration. Hospital CEOs, CFOs, General Counsel and CSOs, Business Development professionals, Physician Group Administrators, Ambulatory Center Administrators and Private Equity Corporate Development and CFOs should consider attending this educational webinar.
