

WEBINAR | OVERCOMING THE CURSE OF KNOWLEDGE AND SURVIVORSHIP BIAS TO IMPROVE ORGANIZATIONAL CULTURE

Join Hall Render Advisory Services for a compelling webinar on April 23, 2024, “Overcoming the Curse of Knowledge and Survivorship Bias to Improve Organizational Culture,” featuring esteemed presenters Patrick Aguilar, MD, MBA, Division Head of Pulmonary/Critical Care Medicine Endeavor Health-NorthShore Hospitals, and Ken Zeko, JD, CHC, Principal Advisor at Hall Render Advisory Services.

In this webinar, you will gain insights into two critical concepts affecting organizational culture: the Curse of Knowledge and Survivorship Bias. Dr. Aguilar and Mr. Zeko will delve into the impacts of these biases on organizational culture and share practical tools and processes to assess and enhance your organization’s culture.
